What does Pluss WorkAble do?

Pluss WorkAble helps people with learning and other disabilities prepare and train for work

We:

Prepare People for work.

Teach practical tasks.

Deliver training through groupwork.

Give advice on job seeking.

Help identify existing skills for work and produce a vocational profile.

Give an initial work assessment.

Produce an individual learning plan.

Provide supported placements.

Help negotiate paid jobs.

Have access to a wide range of training.

TRAINING AIMS

Pluss WorkAble aims to develop the skills that are needed for work. The skills that employers want. These include helping promote good timekeeping and attendance, help with speed and quality of work, promoting problem solving and team work skills.

The Training Team at WorkAble Pluss work with individuals and groups to help develop their strengths and skills, and to prepare people for working life.

We deliver two qualifications, the pre-entry level Workright Certificate and the Foundation Training Certificate. Both of these courses developing basic work skills. We also provide in house practical training in Light Assembly, Packaging, Woodwork and Horticultural Activities.

Pluss WorkAble Placement Team

Pluss WorkAble has its own dedicated Placement team who work to find work experiences or paid employment for service users. They work closely with individuals to find a suitable job match and look for work in a wide range of different work settings. They will also continue to support people once they have got a job or a placement.

Our Record

Pluss WorkAble have placed many individuals in placements and paid employment. We have helped get jobs in a wide range of settings including factories, shops, the care sector, retail outlets, gardening and catering establishments.
